Such requests will be forwarded through channels to the Superintendent or his/her designee for approval. - C. A leave of absence without pay or increment of up to one (1) year shall be granted for the personal health reasons of the teacher or for the purpose of caring for a sick member of the teacher's family where said teacher's personal attention is required. If such leave is granted during the school year, the involved teacher may not return to school until the September next following the granting of such leave. The Superintendent may waive this latter requirement. Additional leave may be granted at the discretion of the Committee. (Immediate family for the purpose of this section shall include, mother, father, brother, sister, wife, husband, child, grandparent or immediate in-laws, or member of the immediate household.)

- G. Teachers requesting extended leaves of absence, except for extended leave under Section C above, shall apply for said leave at least thirty (30) calendar days in advance of the commencement of the leave.
- H. All benefits to which a teacher was entitled at the time his/her leave commenced will be restored upon return, and the teacher will be assigned to the same position held at the time said leave commenced, or to an equivalent position, if possible.

Any teacher returning from leave under this Article will be placed on the next step of the salary schedule if in a pay status in the Wareham Public Schools for more than ninety-one (91) workdays in the year during which the leave commenced.

- I. All requests for extension or renewals of leave will be made in writing before March 1 of each school year immediately preceding the commencement of such extension or renewal. If granted, such extension or renewal will be in writing.
- J. A teacher on leave pursuant to this Article must give written notice to the Superintendent by

March 1 of the school year in which the leave is taken or by March 1 of the subsequent school year, if applicable, of said teacher's intention to return to the next following September. If such written notice is not received by the Superintendent on or before March 1, then the teacher on leave may be terminated from the school system.

Article XXXII - Reduction in Force

- A. In the event that the School Committee determines to reduce the number of employees in the bargaining unit, the procedures set forth hereinafter shall apply: NOTE: As a matter of clarification, members of the bargaining unit whose positions are state or federally funded, partially or totally, shall be within the discipline in section B.1 and all the provisions of this Article shall apply.
1. Insofar as possible, normal attrition will be used whereby teachers who retire or resign will not be replaced if there are fully qualified teachers available who are capable of filling such positions and who would otherwise be subject to layoff. Teachers not under regular contract or who are on temporary status (e.g. teachers filling in for teachers on leave of absence or long-term substitutes) will be laid off first, provided that there are fully qualified permanent teachers available who are capable of performing all the duties of the teachers to be laid off.
 2. In case of reduction in the teaching staff, a professional teacher shall not be laid off if there is a non-professional teacher employed whose position the professional teacher is qualified to fill.
 3. In the event that layoffs are necessary, professional teachers within the affected discipline(s) shall be laid off in inverse order of seniority except in the following situations:
 - a. If the most junior teacher holds a position which no other teacher within the group and discipline is qualified, as determined by the Committee subject to a reasonableness standard, to fill, the least senior teacher holding a position which can be filled by another teacher will be laid off.
 - b. In the event that layoffs of teachers with professional status are necessary within a particular discipline, a teacher's job performance and the best interests of the students shall be determinative, and shall be defined as the teacher's most recent summative overall evaluation rating. Teachers with professional status (1) whose last overall summative rating was Unsatisfactory and (2) have been on an Improvement Plan of at least forty-five (45) days that has not resulted in a change to the teacher's overall rating, shall be reduced before professional status teachers in their discipline whose last overall summative rating was not Unsatisfactory. Ties in this determination shall be broken by seniority, with the least senior teacher in the discipline being subject to lay off first. Such teachers shall not be eligible for recall.

If further layoffs are necessary within a particular discipline, teachers with professional status (1) whose last overall summative rating was Needs Improvement, (2) received a formative overall rating of Needs Improvement during this evaluation cycle, and (3) have been on a Directed Growth Plan of at least sixty (60) days that has not resulted in a change to the teacher's overall rating shall be reduced before professional status teachers not rated

Needs Improvement or Unsatisfactory. Ties in this determination shall be broken by seniority, with the least senior teacher in the discipline being subject to lay off first. Such teachers shall be eligible for recall.

4. The above selection process can result in one or more transfers of personnel from one assignment or building to another.

 - a. Seniority shall be defined as the length of continuous service in years, months, and days in the Wareham Public Schools in a professional position represented by the Association. Seniority shall be computed from the date of the Committee appointment as reflected in the original Committee minutes. Regular part-time service will be prorated in determining seniority.
 - b. In the event of a tie, the date of signature on the initial individual employment contract, which must be on file in the Superintendent's office, shall be used to determine the order of seniority. Any remaining ties shall be broken by the level of education of each employee involved as reflected in Appendix A of this Agreement. In the event of further ties, a lottery shall be conducted.
 - c. Notwithstanding the second sentence in Section 2a above, teachers hired to commence employment on September 1, 1985, or later will have their seniority computed from the first day worked in a professional position represented by the Association.
 - d. Fall-back – Pursuant to this Article, an administrator who is a member of the Association's Unit B, who had accrued seniority as a member of Unit A, will have fall-back rights equal to the amount of time served as a member of Unit A in the area of their teaching experience.
 - e. Fall-back - Notwithstanding Section 2a above and pursuant to this Article, members of the Association who fill a promotional position (see Article XXIII, Section B) within the Wareham School Department but outside of the Wareham Education Association, Inc., and had fall-back rights pursuant to the provisions of this Article, shall retain said fall-back rights for a period of five (5) years to the extent of their accrued seniority.

3. **Licensure**

- a. For the purpose of this Article, "licensure" shall mean a teacher's official credentials as mandated by, and on file with the Massachusetts State Department of Education Bureau of Licensure. In implementing the procedures set forth in this Article, the teacher's licensure to be utilized is that license on file in the Superintendent's Office at the time the Committee votes a reduction in force.
- b. For the purposes of this Article, teachers who are legally exempt from licensure shall be considered as only in the disciplines in which they have taught in the Wareham Public Schools.
- c. For positions which require approval on licensing rather than, or in addition to, licensure, said approval of license must be on file in the Superintendent's Office at the time the Committee votes a reduction in force.

- C. **Seniority List and Procedure to Challenge List**

1. By February 1 of each school year, the Superintendent will post a seniority listing, which will have been determined as of the immediately preceding December 31, by disciplines of all professional personnel represented by the Association. If so

licensed, personnel may appear on the seniority list in more than one discipline (as defined above), if they are teaching or have taught in more than one discipline in the Wareham School System. Said seniority list shall be forwarded to the President of the Association and posted in all buildings. Teachers with the greatest length of seniority (as previously defined) will be listed first in each discipline; teachers with the least amount of service will be placed last on the list.

2. Any teacher who wishes to challenge his/her position on the seniority list shall submit the challenge, in writing, to both the Superintendent and the President of the Association, setting forth the basis for the challenge, no later than March 1. Said challenges shall be jointly reviewed by the Superintendent and the President of the Association in an effort to resolve said challenges. Any unresolved challenge or new challenges resulting from the resolution of a challenge shall be submitted to a tripartite panel described below. Notwithstanding the provisions of Article VI of this Agreement, a tripartite panel, consisting of a person appointed by the Association, a person appointed by the Committee, and a third person chosen by the appointed persons, shall meet to decide the validity of the unresolved challenges. If the parties are unable to agree on a neutral third party, they will jointly request from American Arbitration Association a list of five names, and after striking alternately two names, the remaining name shall be the neutral third party. This panel shall render its decision prior to April 1st.

A teacher who has filed timely in accordance with the provisions of this Article a challenge to the seniority list which remains unresolved shall be advised of the date, time and place of the meeting of said panel. The teacher and, if the teacher so desires, a representative of the Association shall have the opportunity to explain his/her challenge before the panel. The decision of a majority of the panel will be final and binding on the teacher, the Association, and the Committee. The cost, if any, of the services of the neutral member of the panel shall be borne equally by the Committee and the Association. The list, as finally determined by the panel, shall be the seniority list for the purpose of this Article.

In the event that there are no unresolved challenges to the February 1 list, then the promulgated list shall be the final list for that school year.

D. Leaves of Absence

All paid or partially paid leaves of absence provided in this Agreement and/or approved by the Committee shall count towards seniority. All unpaid leaves will not count towards seniority but shall not interrupt continuous service. Teachers on leave of absence shall be eligible to be laid off as though they were currently in active employment. For the purpose of this Agreement, Maternity Leave shall be considered as unpaid leave except for that portion which is Disability Leave paid pursuant to Article XIV.

E. Notification

Whenever possible, written notification of pending layoff will be completed by May 15 for the following school year. In the event of a decision to RIF during the school year, those staff members being laid off will be given a minimum of thirty (30) days written notice.

F. Recall

1. Teachers laid off due to reduction in force shall be placed on the recall list for thirty-six (36) months from the effective date of the layoff. The effective date of layoff will be the last day worked by the teacher. While the previous sections of this Article do

not apply to non-professional teachers, such teachers shall be granted full coverage under this Section F. The period of layoff, however, shall not count toward professional teacher status.

2. Teachers on the recall list will be recalled to vacancies in their last previous teaching discipline in the reverse order of their layoff. Teachers on layoff will also be offered job openings in other disciplines in which they hold licensure (in reverse order of layoff) provided that there are no current faculty members on layoff from such disciplines. Teachers on the recall list will be given first priority in filling long-term substitute teaching vacancies in their field of licensure and/or experience. For purposes of recall, "vacancy" shall be defined as an opening in a professional position covered by Article I which has become open as a result of resignation, retirement, death, or resulting from the establishment of a new position or from a leave of absence of not fewer than ninety-one (91) consecutive days. Should a teacher reject the offer of a vacancy that is in the same discipline and is for at least the same work schedule (hours per day and days per week) as the position from which the teacher was reduced, the teacher shall be dropped from the recall list. Should a teacher reject the offer of a vacancy in a different discipline or with fewer hours, that teacher shall remain on the recall list.
3. The only benefits accorded teachers who have been laid off due to RIF and who are on a recall list will be those specified in this Article. All other benefits gained by teachers as a result of this or successive collective bargaining Agreements will be received only by those teachers actively employed.
4. Teachers on the recall list shall be entitled to membership in any group health or life insurance coverage in existence at the time of the effective date of the layoff, provided however, that the teacher pays the entire cost of such insurance pursuant to the requirements of the insurance carrier, and there shall be no contribution by the Committee or the town for such teacher's insurance.
5. Teachers on the recall list shall be deemed to be on leave of absence from the Wareham Public Schools for the duration of the recall period.
6. When a vacancy occurs to which a teacher is entitled to be recalled as set forth above, the appropriate teachers on the recall list will be notified by certified mail at their last recorded address. Failure to accept certified mail shall not be deemed sufficient reason for failing to meet the necessary response date. Failure to respond to the Superintendent with a letter of acceptance of the offered position within thirty (30) calendar days of the certified date of mailing shall be considered a rejection of such offer and the teacher shall be dropped from the recall list. It shall be the responsibility of the teachers on the recall list to inform the Office of the Superintendent, in writing, of changes of address. The Superintendent shall have the right to notify more than one teacher at a time of vacancies and will inform those teachers of their respective placement on the recall list.
7. Teachers on the recall list shall have priority in filling vacancies as hereinbefore set forth. No new teachers shall be hired to fill such vacancies until all appropriate teachers on the recall list have been offered the vacancy.
8. Upon return to employment from the recall list, teachers will have accumulated to their accounts the same number of sick days which they had accumulated at the time of their layoff. Teachers filling temporary vacancies at the time of layoff due to

reduction in force shall have no recall rights.

- G. Except as set forth below, nothing in this article shall act so as to diminish the rights of teachers under Chapter 71, Sections 41 and 42 of the General Laws of the Commonwealth of Massachusetts.

In recognition of the fact that a layoff is treated as a leave of absence in this Article, a teacher who accepts such a leave in lieu of dismissal shall waive, in writing, any present or future rights to a dismissal hearing which he or she may have pursuant to Chapter 71, Section 42 and 42a. A teacher may elect to have his layoff treated as a dismissal in which case such teacher shall be afforded his full statutory rights.

Article XXXIII - Job Sharing

- A. A job sharer is a professional employee who shares a position with another professional employee. Job sharers divide the salaries, benefits and responsibilities of one full-time job. The terms "employee", "teacher", or "job sharer" shall include all members of the Bargaining Unit mentioned in the Recognition Clause of the Agreement between the Wareham School Committee and the Wareham Education Association. For purposes of this proposal, terms "teacher A" and "teacher B" will refer to the two job sharers.

Employees who want to share a job must give a written proposal to the Superintendent by March 15. It is at the discretion of the Committee to accept or reject the proposal. Acceptance or rejection of a job-sharing proposal is not subject to grievance or arbitration.

Unless otherwise specified herein, the terms and conditions of employment listed in the Agreement between the Wareham School Committee and the Wareham Education Association are applicable for job sharers, excluding Article XVII, Sabbatical Leave.

B. **Salary**

The salary for job sharers will be prorated. Each employee will earn one half (1/2) of his/her appropriate full-time annual basic salary pursuant to the terms of the Agreement, except when the employee works a full day pursuant to the provisions of this proposal. On such days, the teacher will be paid his/her daily rate of compensation.

C. **Seniority**

The service of job sharers will be prorated in determining seniority.

D. **Sick Leave**

Job sharers will be entitled to fifteen half (1/2) sick days allowed per year for absences due to Article XIII, Sick Leave.

E. **Paid Temporary Leaves of Absence**

1. Personal Leave - Job sharers will be entitled to three, half (1/2) days as allowed per year pursuant to Article XIV, Paid Temporary Leaves of Absence.
2. Bereavement Leave - Job sharers will be entitled to those days as allowed pursuant to Article XIV, Paid Temporary Leaves of Absence.

F. **Health Insurance, Dental Insurance and Life Insurance**

1. Those employees in a job-sharing arrangement as of the date of this memorandum of agreement shall continue with the following:
Employees A and B will decide the manner in which health

insurance, dental insurance and life insurance will be shared so that the cost to the town does not exceed that of one professional employee. The manner in which insurance will be shared shall be included in the job-sharing proposal.

2. As to employees who enter a job-sharing arrangement after the date of this memorandum of agreement, only those who work twenty (20) hours or more per week shall be entitled to health, dental and life insurance.

G. Teacher Assignment

1. Duration of Assignment - The job-sharing assignment will last not less than one full year. In the event that teacher A resigns from the school system, is terminated by the Committee, or dies, then teacher B will teach full-time and assume all responsibilities of the full-time position for the remainder of the school year. Teacher B will receive full-time benefits. The job sharer shall be given priority in filling that position on a full-time basis if s/he so desires.
2. Change in Assignment - The participation of employees in job sharing shall be on a voluntary basis. An employee who is employed on a full-time basis and who desires to participate in a job-sharing position shall inform the Superintendent in writing that s/he is willing to accept the reduction from a full-time to a part-time position. Such teacher shall also indicate, in writing, that s/he understands that once such reduction to a part-time position is made, the teacher cannot thereafter displace or intrude upon the position of a less senior teacher to attain full-time status. This would not preclude a job sharer from applying for full time vacancies which arise to which no teacher on a recall list is entitled to be recalled. In the event that the job-sharing position is eliminated the more senior job sharing teacher will fill the position which was formally shared. The less senior job sharer will be given preference for a full-time vacancy, if qualified in the opinion of the Superintendent. If there is not a full-time vacancy available, then s/he will be placed on the recall list in accordance with Article XXXII.

Note: Nothing in the section shall preclude other members of the Bargaining Unit from requesting transfers or reassignments.

H. Teacher Preparation Time and Work Load

Teacher A and Teacher B will jointly be guaranteed a total of five (5) preparation periods per week. An effort will be made to schedule the preparation periods so that each job sharer will have two preparation periods weekly. An effort will also be made to schedule the preparation periods so that there will be one per day.

I. Absences

In the event that teacher A is absent, then at the discretion of teacher B, teacher B will work a full day.

J. Responsibilities

1. Length of Workday - Each job sharer will work one-half (1/2) of the workday as per Article XIX.
2. Proposal Requirements - A written proposal to the Superintendent must include:

- A. Teachers shall receive one thousand dollars (\$1,000) per contract year (September 1 - August 31) for reimbursement of tuition and mandatory fees for approved courses. Up to five hundred dollars (\$500) of these funds may be used toward the cost of attending conferences, workshops, and professional meetings approved in advance by the Superintendent or her or his designee. The five-hundred dollars may be used for registration/attendance fees, materials, and other purposes approved by the Superintendent.

 - 3. In lieu of either of the foregoing, a cash payment to the Wareham Education Association Scholarship Fund of an amount equal to the Agency Fee as determined herein.
- C. The Association agrees to indemnify and hold harmless the Committee against any and all claims, suits, or other forms of liability arising out of the deduction of said Agency Service Fee from an employee's pay, or out of the application of this Article. The Association shall assume full responsibility for the disposition of the monies to be deducted once they have been released to the Treasurer of the Association. Said Treasurer shall provide to the Committee any information that may be required pursuant to the Massachusetts General Laws, Chapter 180, Section 17G.

UNIT A CONTRACT- APPENDIX F- EVALUATION

Introduction for ALL

The purpose of the Wareham Public Schools Professional Staff Evaluation is to Promote collegiality, build strong professional relationships, collaborate, and continue to grow as experts in the complex field of education to provide enriching learning experiences for Every Student-Every Day.

This document contains the procedures for implementing the evaluation system in the Wareham Public Schools and in collaboration between the District and the Wareham Education Association. Following the procedures contained herein is essential toward maintaining the confidence and integrity of this system, and ensuring its outcomes remain applicable, useful, valid, and contractual.

The system is composed of **ratings** based on **evidence** collected through two means – evaluation of **artifacts** and **observations**. Most of these observations will be unannounced (commonly called **walkthroughs**), though in some circumstances, observations may be pre-scheduled.

According to Massachusetts State Law, educators must be rated in four categories –

I. Curriculum, Planning, and Assessment

II. Teaching All Students

III. Family and Community Engagement

IV. Professional Culture

Evaluator's will use this language as a way to communicate:

Evaluator Commentary within Evaluation Reports

Evaluators may include specific types of comments that seek clarity or information in a walkthrough report. Such comments may lead to a change in teaching practice, or even require one. In ascending order of urgency, those types of statements are:

Question: With no judgment implied, the evaluator seeks information for clarification or context. It does not require any change in pedagogy.

Suggestion: A suggestion offers advice for the educator's consideration. It is to the educator's discretion whether to follow it after reflection.

Recommendation: A recommendation is a suggested change in pedagogy that merits serious consideration. A recommendation is offered in the strong belief it will improve teaching and learning.

Expectation: This judgment denotes a change in pedagogy that the evaluator believes is necessary. If the educator disagrees, a prompt conversation with the evaluator is Strongly advised. Otherwise, the evaluator will presume to see this change next time.

Evaluator's are urged to base ratings on the rubrics that are part of this system, and are advised to carefully consider relevant terms such as "most of" or "majority". One or two exceptions to best practices observed over a school year or series of observations do not render an educator ineligible for proficient or even exemplary ratings. Also, to be noted is that rubrics address the actions and choices of educators, not children. There is no place for attempting to evaluate an educator based on the actions of students assigned to him/her; the intent is to evaluate the decision-making and array of options the educator applies.

A **rating** of an educator must be based on repeated **evidence** in support. Educators must receive a rating in each of the four standards by the end of their plan, based on the cumulative evidence and artifacts. In order to support a rating, evidence drawn from at least three observations and/or artifacts must be present. Hearsay, "gut feelings", or things "heard around the building" are not

grounds for any rating and do not constitute evidence. Inclusion of such endangers the validity of any rating. Only that which was observed by the evaluator is eligible for inclusion. Furthermore, any rating in one of the four standards of “needs improvement” or “unsatisfactory” must be based on evidence coming from at least **seven** unannounced observations, [as well as] conferences and other documentation collected for the purpose of evaluating.

Only that evidence collected through the normal procedures of the school building, or mentioned in feedback to the educator, can be used as the basis for a rating. Impressions from standing in the hallway, or gathered as an evaluator is performing duties not related to the evaluation process, are not eligible as evidence. Any evidence not included in feedback to educators is ineligible.

Much of the evidence, particularly on Standards I. & II. come from unannounced observations, often called walkthroughs. A walkthrough with a duration of ten or more minutes must result in feedback supplied to an educator within **five** school days. Note that this form is not intended to replace all other methods of communication; emails or short notes are still welcome means of aiding educators in improving their craft.

The form should not be signed when first shared, to allow for discussion and a fair summation of what was observed in the classroom. It is recommended that the evaluator print this form as written, initially by the evaluator, in preparation for further discussion. When the educator has received notice that a new form has been inputted s/he has **five** school days on which to offer comment or ask questions. Forms should not be signed while that discussion is ongoing. At the conclusion of any discussion based on a form, or at the conclusion of this period, the evaluator and educator should sign the Walkthrough Form.

Educators on Directed Growth Plan, Improvement Plans, and Developing Educator Plans will have at least one announced observation. The conference before and after the scheduled observations should be based on the evaluation form.

Further grounds of ratings can be gleaned from the use of **artifacts**, any evidence of practice collected by the evaluator or provided by the Educator. **There is no requirement of any sort for a minimum / maximum number of artifacts, and no such requirement can be created.** Educators are encouraged to use artifacts to offer proof that standards are being met, either in response to negative feedback, or to “fill in” any evaluation areas. This will be particularly applicable after the formative evaluation report. Artifacts can be submitted in paper form or uploaded.

Much of this system is reliant on deadlines. These deadlines may be altered due to unforeseen circumstances with the agreement of the evaluators and educators. Should any deadline fall on a day when the schools are not open, any forms would be due the next school day.

Educator Plans- General

Educator Plans shall be designed to provide Educators with feedback for improvement, professional growth, and leadership; and to ensure Educator effectiveness and overall system accountability. The Plan must be aligned to the standards and indicators and be consistent with district and school goals.

The Educator Plan shall include:

At least one goal related to Improvement of Professional Practice tied to one or more Performance Standards;

At least one goal for the Improvement of Student Learning, Growth, and Achievement of the students under the Educator's responsibility;

An outline of actions the Educator will take to attain the goals. Actions must include specified professional development and learning activities that the Educator will participate in as a means of obtaining the goals, as well as other support that may be suggested by the Evaluator or provided by the school or district. Examples may include but are not limited to coursework, self -study, action research, curriculum development, study groups with peers, and implementing new programs.

It is the Educator 's responsibility to attain the goals in the Plan and to participate in any trainings and professional development provided through the state, district, or other providers in accordance with the Educator Plan.

Evidence Used in Evaluation

The following categories of evidence shall be used in evaluating each Educator:

Judgments based on observations and artifacts of practice including:

Announced or unannounced observations of practice of any duration.

Announced observation(s) are required for non-PTS Educators in the first year of practice in a school, Educators on Improvement Plans, and as determined by the Evaluator.

Examination of Educator work products.

Examination of student work samples.

Additional evidence relevant to one or more Performance Standards, including but not limited to:

Evidence compiled and presented by the Educator, including (605.35:07): Evidence of fulfillment of professional responsibilities and growth such as self-assessments, peer collaboration, professional development linked to goals in the Educator plans, contributions to the school community and professional culture; Evidence of active outreach to and engagement with families. Evidence of progress towards professional practice goal(s); Evidence of progress toward student learning goal(s)

Career Advancement

In order to attain Professional Teacher Status, the Educator should achieve ratings of proficient or exemplary on each Performance Standard and overall. A principal considering making an employment decision that would lead to PTS for any Educator who has not been rated proficient or exemplary on each performance standard and overall on the most recent evaluation shall confer with the superintendent by May 1. The principal's decision is subject to review and approval by the superintendent. (603 CMR 35.08(6))

General Provisions

In order to qualify for a leadership position, the Educator must have had a Summative Evaluation performance rating of proficient or exemplary for at least the previous two years.

Only Educators who are currently licensed as administrators may serve as Primary Evaluators of Educators. All Supervising Evaluators must be highly qualified in their field or hold a current, Massachusetts license as Supervisor/Director or Assistant Principal/Principal. All evaluators must complete the district's identified and approved training in the principles of supervision and evaluation. Evaluators that have not completed the required evaluation training, may not make a determination of "Needs Improvement", or "Unsatisfactory" on an employee's Formative or Summative report.

Evaluators shall not make negative comments about the Educator 's performance, or comments of a negative evaluative nature, in the presence of students, parents or other staff, except in the unusual circumstance where the Evaluator concludes that s/he must immediately and directly intervene. Nothing in this paragraph is intended to limit an administrator's ability to investigate a complaint, or secure assistance to support an Educator.

The superintendent or designee shall ensure that Evaluators have training in supervision and evaluation, including the regulations and standards and indicators of effective teaching practice promulgated by ESE (35.03), and the evaluation Standards and Procedures established in this Agreement.

Should there be a disagreement between the Educator and the Evaluator regarding an overall summative performance rating of unsatisfactory, the Educator may meet with the Evaluator's supervisor to discuss the disagreement. Should the Educator request such a meeting, the Evaluator's supervisor must meet with the Educator. The Evaluator may attend any such meeting at the discretion of the superintendent.

Violations of this article are subject to the grievance and arbitration procedures.

Evaluation Regulations as Negotiated

This contract language is locally negotiated and based on M.G.L., c.71, § 38; M.G.L. c.150E; the Educator Evaluation regulations, 603 CMR 35.00 et seq.; In the event of a conflict between this collective bargaining agreement and the governing laws and regulations, the laws and regulations will prevail.

The regulatory purposes of evaluation are:

To promote student learning, growth, and achievement by providing Educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability, 603 CMR 35.01(2)(a);

To provide a record of facts and assessments for personnel decisions, 35.01(2)(b);

All evaluators must complete the district's identified and approved training in the principles of supervision and evaluation. Evaluators that have not completed the required evaluation training, may not make a determination of "Needs Improvement", or "Unsatisfactory" on an employee's Formative or Summative report.

Primary Evaluator: shall be the person who determines the Educator 's performance ratings. The primary evaluator shall be the Principal or equivalent.

Supervising Evaluator: shall be the person responsible for developing the Educator Plan, supervising the Educator 's progress through formative assessments, evaluating the Educator 's progress toward attaining the Educator Plan goals, and making recommendations about pedagogy and practices that assist educators. 5. Reflection and next steps for following year

***Experienced Educator:** An educator with Professional Teacher Status (PTS).

***Family:** Includes students' parents, legal guardians, or primary caregivers.

The summative evaluation rating must be based on evidence from multiple categories. MCAS Growth scores shall not be the basis for a summative evaluation rating.

To be rated proficient overall, the Educator shall, at a minimum, have been rated proficient on the Standard I, Curriculum, Planning and Assessment, and the Standard 2, Teaching All Students.

The Educator shall provide to the Evaluator evidence of family/community engagement, professional culture, and progress on attaining professional practice and student learning goals. Decision on the Educators Status at the Conclusion of the Improvement Plan

All determinations below must be made no later than June 1. 1 of 3 alternatives must be chosen and decisions must be made at the conclusion of an Improvement Plan.

- If the Evaluator determines that the Educator has improved practice to the level of proficiency required and the Educator is placed on a Self-Directed Growth Plan.
- If the Evaluator determines that the Educator is making substantial progress toward proficiency, the Evaluator shall place the Educator on a Directed Growth Plan.
- If the Evaluator determines that the Educator is not making substantial progress toward proficiency, or the Educator's practice remains at a level of unsatisfactory, the Evaluator shall recommend to the Superintendent that the Educator be dismissed.

Evaluation Cycle

Training will be provided annually outlining the components and provide explanation and clarification. Educators hired after October 1, will be guided through the process and goals will be created within one month of the date of hire.

Evaluation Cycle: Annual Orientation

At the start of each school year, the superintendent/designee or principals shall conduct a meeting for educators and evaluators focused substantially on educator evaluation. The superintendent or designee shall:

Provide an overview of the evaluation process, including goal-setting and the educator plans. Provide District and School goals and priorities, as well as professional development opportunities related to those goals and priorities.

Provide all Educators with directions for obtaining a copy of the forms used by the district. These may be electronically provided.

The faculty meeting may be digitally recorded to facilitate orientation of Educators hired after the beginning of the school year provided an announcement is made at the beginning at the meeting.

Proposing the Goals

The Evaluator or his/her designee will meet with each Educator by October 1st (or within four weeks of the Educator's first day of employment if the Educator begins employment after September 15th) to assist the Educator in drafting the student learning goals and professional practice goals.

Evaluation Cycle: Goal Setting

Every Educator has one goal related to the improvement of practice and one goal for the improvement of student learning; both should consider and complement the School's Improvement Plan. The Plan also outlines actions the Educator will take to attain the goals established in the Plan. Goals may be developed by individual Educators, by the Evaluator, by grade-level, subject-area, or department teams, or groups of Educators who have similar roles and/or responsibilities or share responsibility for student learning and results.

To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Educator has proposed.

Evaluation cycle goal-setting meetings shall be conducted as follows:

Educators in the same school may meet with the Evaluator in teams and/or individually at the end of the previous evaluation cycle or before October 1st of the next academic year to set their goals. Educators shall not be expected to meet during the summer hiatus.

For those Educators new to the school, the meeting with the Evaluator to set their goals must occur by October 1st or within four weeks of the start of their assignment in that school.

The Evaluator approves the Educator's goals by October 15th, and signs them within **five** school days of their receipt. The Evaluator may include a written response. If the goals undergo further refinement the form may be rewritten.

For Educators with PTS and ratings of needs improvement or unsatisfactory, the professional practice goal(s) must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject area team goals.

For Improvement Plans of six months or fewer, there must be no fewer than one announced and two unannounced observations.

Any Educator whose plan ends with an overall summative rating of needs improvement or unsatisfactory must have received at least **seven** unannounced observations during the previous year.

The Evaluator's first observation of the Educator should take place by November 15. Observations required by the Educator Plan should be completed by May 15th. - Identify support and/or resources the Educator may use in his/her improvement.
- State that the Educator is responsible for addressing the need for improvement.
